ALL-COUNTY LETTER NO. 86-71

TO: ALL COUNTY WELFARE DIRECTORS

SUBJECT: GRIMESY v. McMAHON

REFERENCE: ACIN. NO. I-58-86  
ELIGIBILITY AND ASSISTANCE STANDARDS (EAS) SECTION 44-133.7

On June 24, 1986, the United States District Court for the Northern District of California issued an order in the case of Grimesy v. McMahon. The order enjoins the Department from enforcing the above-cited regulation. This regulation requires the deeming of senior parent income to 18-year-old minor parents who do not meet the school attendance requirement of Section 42-101.2. It was recommended in ACIN No. I-58-86 that counties identify affected cases.

The purpose of this letter is to provide you with specific instructions and materials necessary to implement the terms of the Grimesy Order. The counties must identify and restore benefits, as otherwise eligible, to all cases in which aid has been reduced, denied, terminated, granted at a reduced amount, or where an overpayment is being recouped, due to the effect of the challenged regulation cited above.

In addition to the detailed implementing instructions, which are the same as those provided you in ACIN No. I-58-86, the following implementation materials are attached:

1. A reproducible copy of the Notices of Action in English (Spanish version to come on approximately August 15, 1986).
2. Instructions on completing Notices of Action.
3. Compliance Reporting Forms.

If you have any questions regarding the Implementing Instructions or Notices of Action, please contact Jim Mullany of the AFDC/FS Policy Implementation Bureau at (916) 324-2661.

IMPLEMENTING INSTRUCTIONS  
(Grimesy v. McMahon)

1. Cases affected by the Grimesy Order are:
  - (a) All families whose AFDC grant has been or would be reduced or terminated on or after June 30, 1986 because of the deeming of senior parent income to the assistance unit of an 18-year-old minor parent who does not meet the school attendance requirement (EAS Section 44-133.7 and 42-101.2);
  - (b) All families whose AFDC application has been or would be denied or granted at a reduced amount on or after June 24, 1986 because of the deeming of senior parent income to the assistance unit of an 18-year-old minor parent who does not meet the school attendance requirement (EAS Section 44-133.7 and 42-101.1);
  - (c) All families who are having an overpayment recouped by grant adjustment on or after July 1, 1986 or by demand for repayment on or after June 24, 1986, when the overpayment was caused by failure to deem senior parent income to the assistance unit of an 18-year-old minor parent who did not meet the school attendance requirement (EAS Section 44-133.7 and 42-101.1).
2. Counties must, on a prospective basis, immediately cease the deeming of senior parent income to the assistance units of 18-year-old minor parents who do not meet the school attendance requirements as currently set forth in EAS Section 44-133.7 and 42-101.2. Counties can no longer require 18-year-old minor parents not meeting school attendance requirements to submit a CA 73. Therefore, counties must discontinue sending CA 73 forms to cases affected by this lawsuit.
3. For families whose AFDC grant has been reduced or terminated on or after June 30, 1986 and for families whose applications were denied or approved at a reduced amount on or after June 24, 1986, counties must take the following actions immediately:
  - (i) Identify affected cases;
  - (ii) Review the case record to determine eligibility under this court order;
  - (iii) Restore benefits to the amount to which they would otherwise have been entitled had senior parent income deeming not occurred (EAS Section 44-133.7 and 42-101.2);
  - (iv) Send an appropriate Notice of Action.

4. Counties must immediately cease all recoupment activity for overpayments caused by failing to deem senior parent income to an 18-year-old minor parent who did not meet school attendance requirements. Any amounts recouped by repayment after June 24, 1986 or by grant adjustment after June 30, 1986 must be immediately refunded to the assistance unit.
5. Federal financial participation is available if the case is otherwise federally eligible.
6. The Grimesy Order applies to the Refugee Cash Assistance Program (RCA), the Entrant Cash Assistance Program (ECA), and the Refugee Demonstration Project (RDP).
7. Complete the attached compliance reporting form and submit it to DSS on or before September 15, 1986. Please submit the completed form to:
